

# EARTHMOVING, LANDFILL, AND EXCAVATION OPERATIONS

For more than 30 years, Shephard's has focused our attention on writing real world training programs for heavy equipment operations: Land Reclamation, Excavation, Landfills, Power Houses, Road Maintenance, Timber Removal, Demolition, etc.

## THE SIX KEY ELEMENTS:

1. Commitment to Safety
2. Work Habits of Employees
3. Care of Equipment
4. Attention to Detail
5. Knowledge and Compliance to Company Rules
6. Reduced Damage to Goods, Equipment, and Property
